# REJUVENATE EVERYDAY

with

*Impressions*

A mattress with NASA's Visco Elastic Temperature Sensitive Material and "Responsive Profiling"

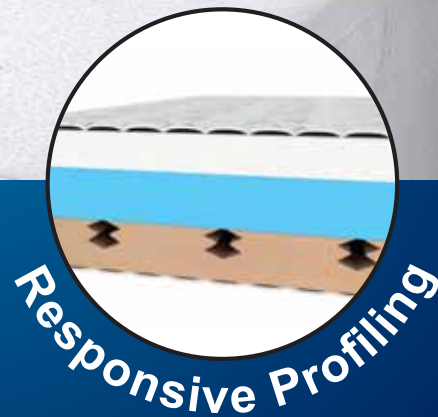

*Impressions*  
REJUVENATE EVERYDAY

**Sleepwell**

**Sleepwell** in India is recognized as a specialist that provides state-of-the-art sleep solutions that promote good health and serenity in our daily lives. A flagship brand of Sheela Group with an ISO 9001 certification, **Sleepwell** has established itself by its relentless endeavour to bring the most advanced technologies from across the world to its customers and for matching its products with their ever-changing demands. Our innovative range of products underline our focus on not just sleep but on quality sleep.

**Sleepwell** presents New Impressions Majesty with Responsive Profiling on its comfort layers.

### A. NASA's Visco Elastic Temperature Sensitive Material:

- NASA's Visco Elastic Material ensures a correct sleeping posture, reduces pressure points and enhances blood circulation.

### B. Latex Plus Core with Responsive Profiling:

- The Responsive Profiling on Latex Plus perfectly supports your body by distributing body weight evenly and also enhances air circulation keeping the mattress fresh and ventilated.
- Comes with a 10-year guarantee.

#### Health-Fresh™ Advantage

Impressions mattress is treated with Health-Fresh™ Technology, an internationally recognised treatment that prevents the breeding of dust mites and bacteria which avoids respiratory problems and is a boon to asthmatics.

#### SANtech™ Advantage

All **Sleepwell** Flexi-PUF products incorporate advanced SANtech™ technology to enhance firmness and breathability for added comfort.

#### Standard Thickness:

- Majesty 200 mm (8")
- Regal 200 mm (8") & 150 mm (6")
